

# fish on!

## Fly Girls

WOMEN'S FLY-FISHING SCHOOL

**AUGUST 7-9th • SEPTEMBER 11-13th**

Learn to fish with the best of 'em in a fun, non-intimidating environment! Enjoy instruction tailored to your ability and experience. Learn about flies, how to read water, tie knots, proper equipment, set-up and how to cast a fly rod.

## bugs and brews

**AUGUST 12th • SEPTEMBER 9th**

Join entomology expert and SMO Head Guide Carl Evenson for an overview of local bugs and stream entomology.

Enjoy a microbrew and pick up some GOOD FREE ADVICE on matching the hatch!

## Silver Creek masters course

**AUGUST 24th • SEPTEMBER 24th**

1 day sessions focusing on the skills, techniques, equipment, entomology and knowledge required to catch the wary trout of Silver Creek, America's Graduate School of Fly Fishing.

Instructed by Guides Paddy McIlvoy and Carl Evenson

## FREE casting clinics

**EVERY TUESDAY 6pm • ATKINSONS PARK**

Learn the ins and outs - and subtleties - of fly-casting with SMO Instructor Jim Santa.

Rods and reels provided, or bring your own!
